A rainstick is a long, hollow tube filled with beans and rocks. There are small pins on its inside to make a rain sound when you move it!

Ask an adult to help you search for a rainstick on the internet to hear the sound.

Yon baton lapli se yon instriman ki fet ak banbou. Andan li plen ak pwa ak woch. Gen ti klou anndan li pou fè yon son lapli lè w bouje li!

Mande yon granmoun pou ede w chèche yon baton lapli sou net pou tande son an.
